Request for Remand

Commissioner for Trademarks
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Appeal Board:

The present Request for Remand is made under 37 CFR § 2.142(d) and is submitted in reference to the Appeal filed electronically on January 5th, 2015 for the mark PUZZLE BREWING COMPANY serial number 86263566.

The purpose of this Request for Remand is to endure the record is complete, and that all evidence is properly submitted. The evidence in Exhibit A-M of the Appeal brief, and accompanying figures from the collected data, was first introduced in the Appeal brief. This omission of evidence from the earlier proceeding was made in error, and the omission was first identified in the Examining Attorney's Appeal Brief dated April 15th, 2015. This Request for Remand is being submitted the same day in order to resolve the omission.

The original response to the office action was provided to the undersigned, and filed on behalf of the Owners the same day the undersigned was made attorney of record. The omitted evidence was believed to have been included in the filed response to the initial office action, and was not properly confirmed before brief filing.

The Appeal Board is respectfully asked to grant this Request for Remand in the interest of focusing on the merits of the appealed refusal.

Respectfully submitted,

Daniel Maffeo
